The image shows a mobile application interface for a login screen. The background is a dark space-themed image with a blue planet and stars. At the top, the text "durba patra" is visible. The title "Track and Trigger" is centered in white. Below the title, there are two tabs: "LOGIN" (selected) and "SIGNUP". The login form consists of two input fields: "Username" and "Password". Below the password field, there is a red text label "Forgot Password?". A large red button labeled "LOGIN" is positioned below the input fields. At the bottom, there are two buttons: "Sign In" with a Google logo and "Continue with Facebook" with a Facebook logo. The bottom of the screen shows a standard Android navigation bar.

The image shows a mobile application interface for OTP verification. At the top, there's a blue circular profile picture placeholder. Below it, the title "OTP Verification" is centered. Underneath the title, it says "Enter the otp sent to +91-7989718759". A row of six input fields contains the digits 7, 2, 4, 9, 1, and 9; the last field is highlighted with a green border. Below the input fields, the text "Didn't receive the otp?" is followed by a red link labeled "RESEND OTP". A large purple button with the word "VERIFY" in white capital letters is positioned below the resend link. At the bottom of the screen is a numeric keypad with digits 1 through 9, 0, a backspace icon (X), and a "Done" button. The entire interface is set against a light gray background.

◀▶

The image shows the 'Track Trigger' mobile application interface. At the top, the status bar displays the time 12:22 and various system icons. The app's header features the name 'Track Trigger' and a blue circular logo. Below the header, a 'Welcome durba' message is displayed. Three main function icons are shown: 'Diary' (notepad icon), 'Calendar' (calendar icon), and 'Payment' (document with dollar sign icon). A search bar with a magnifying glass icon and a 'SEARCH' button is located below these icons. The 'Inventory' section contains three category cards: 'Groceries' (shopping cart icon), 'Clothings' (clothing items icon), and 'Grooming' (bath and bubbles icon). A notification bubble indicates 'Password has been updated'. The 'My To Does' section shows a checklist icon. The 'My categories' section displays two identical cards labeled 'mycat1' and 'mycat3', each featuring a 3D bar chart with letters A through G in different colors. The bottom of the screen shows standard Android navigation icons.

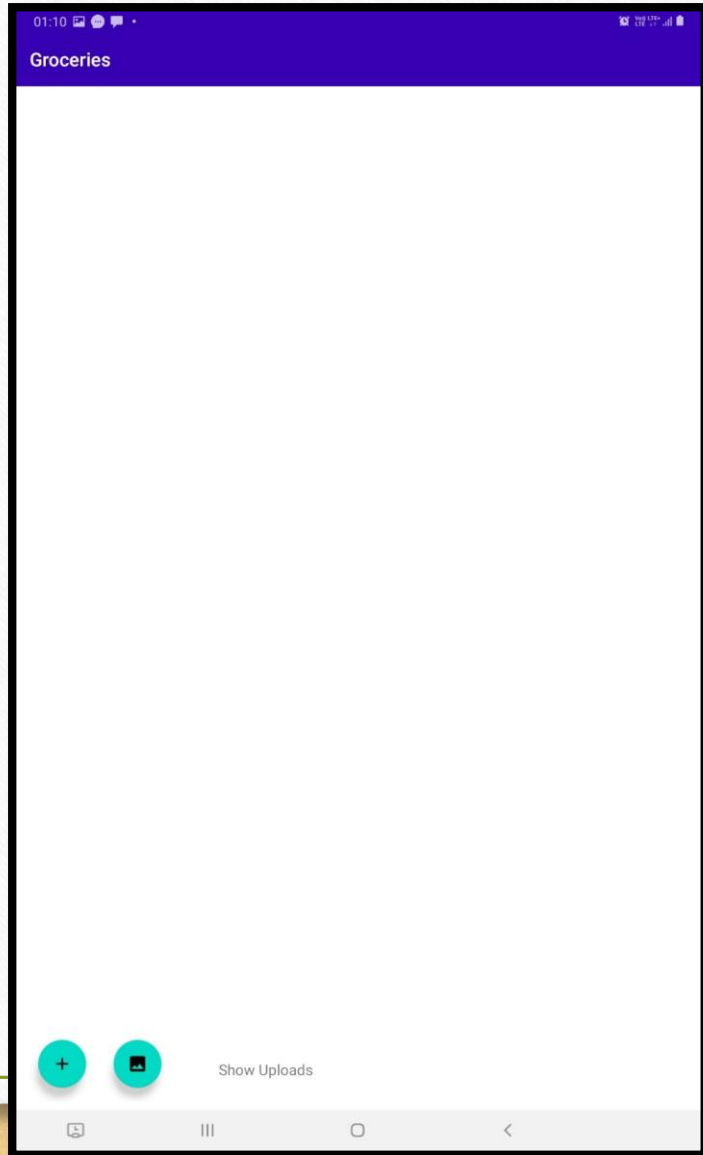

Dashboard (customized for different users) (has google search implemented)

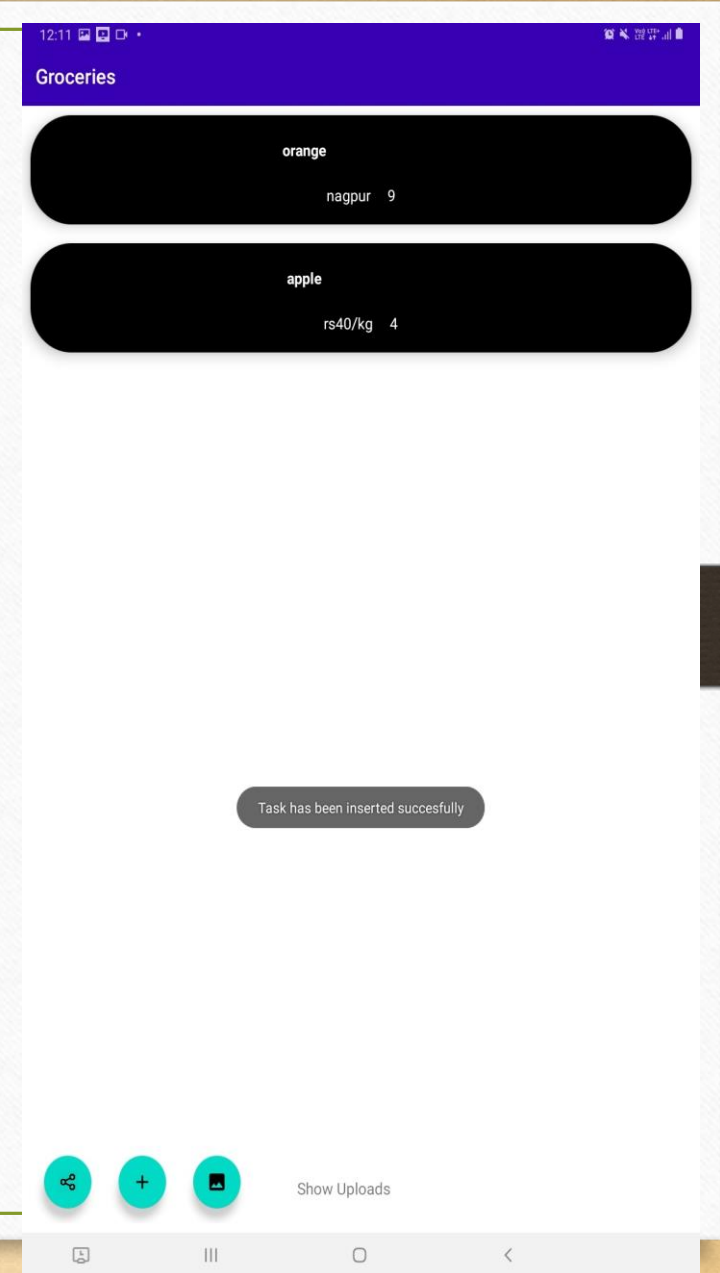

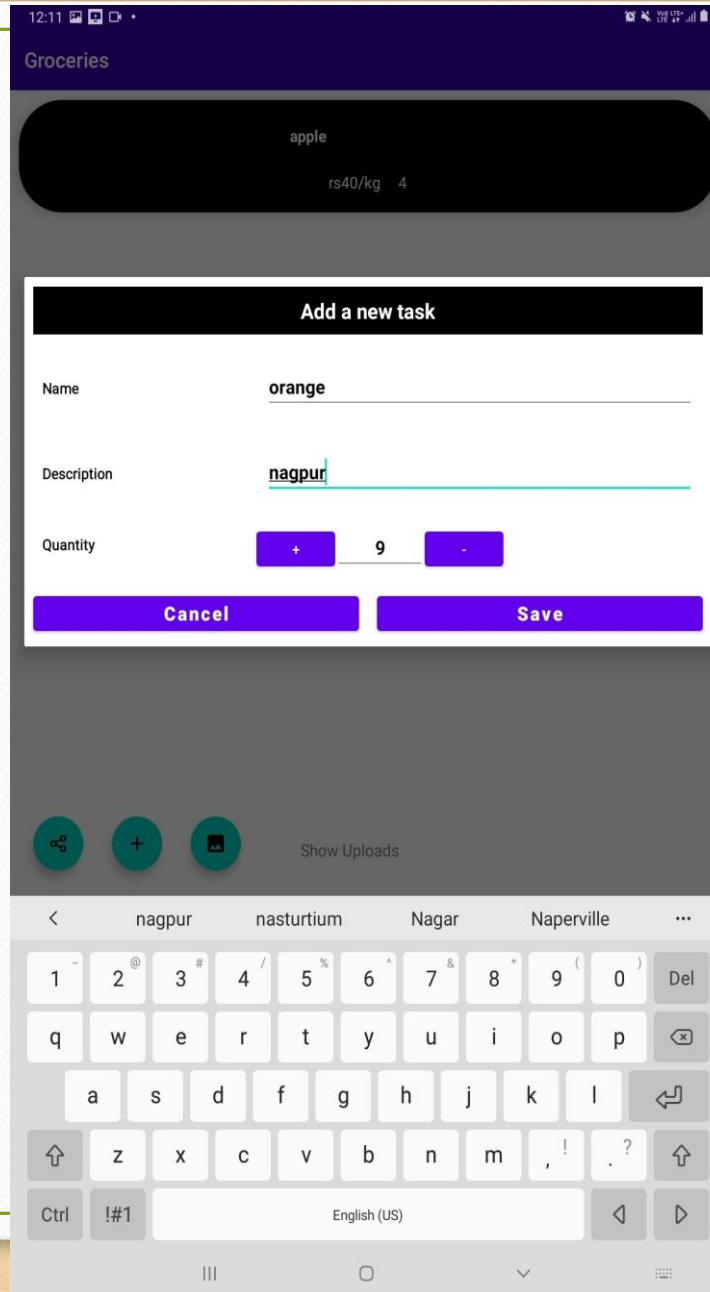

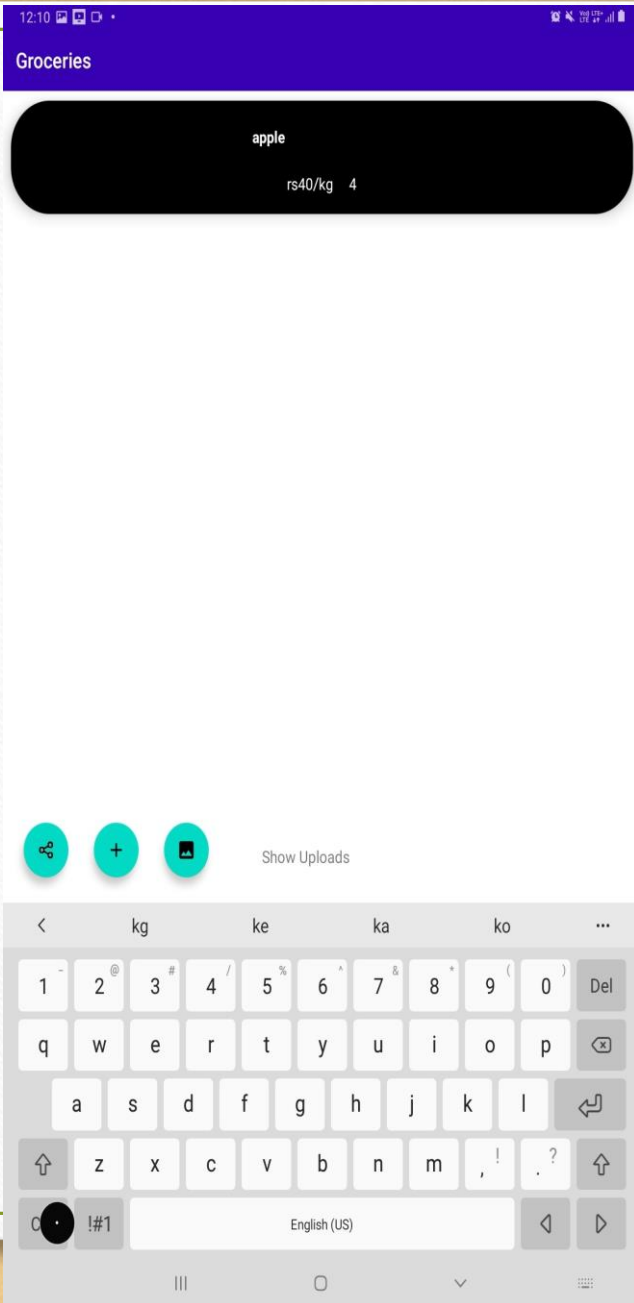

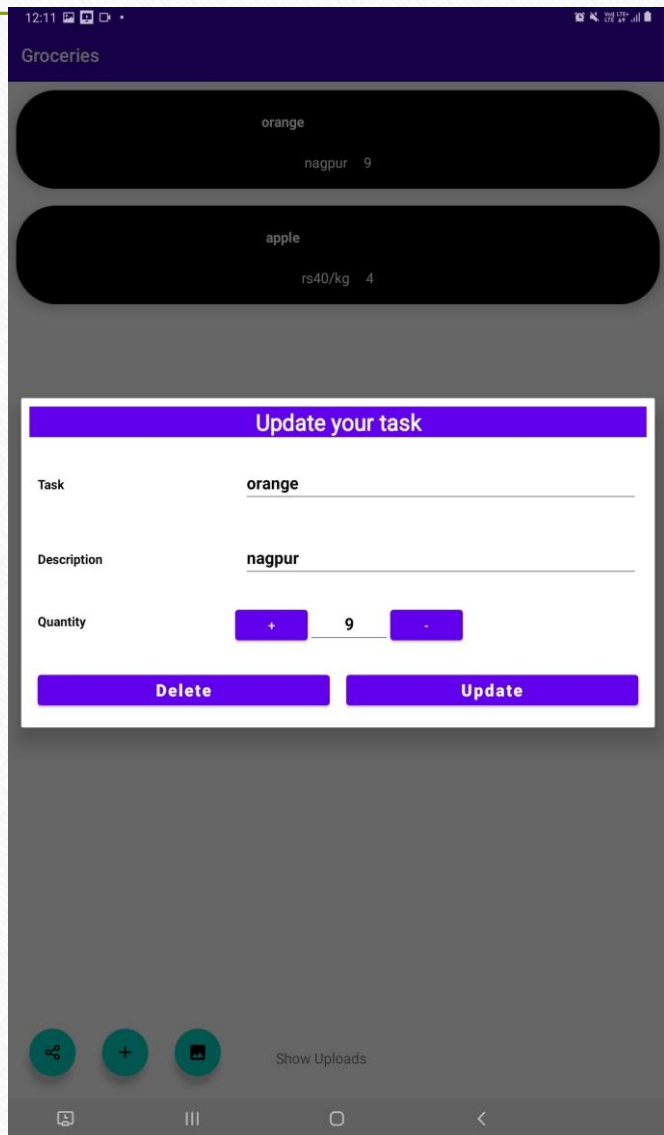

User can add as many categories he wants and any number of materials in these categories

User can delete tasks when completed

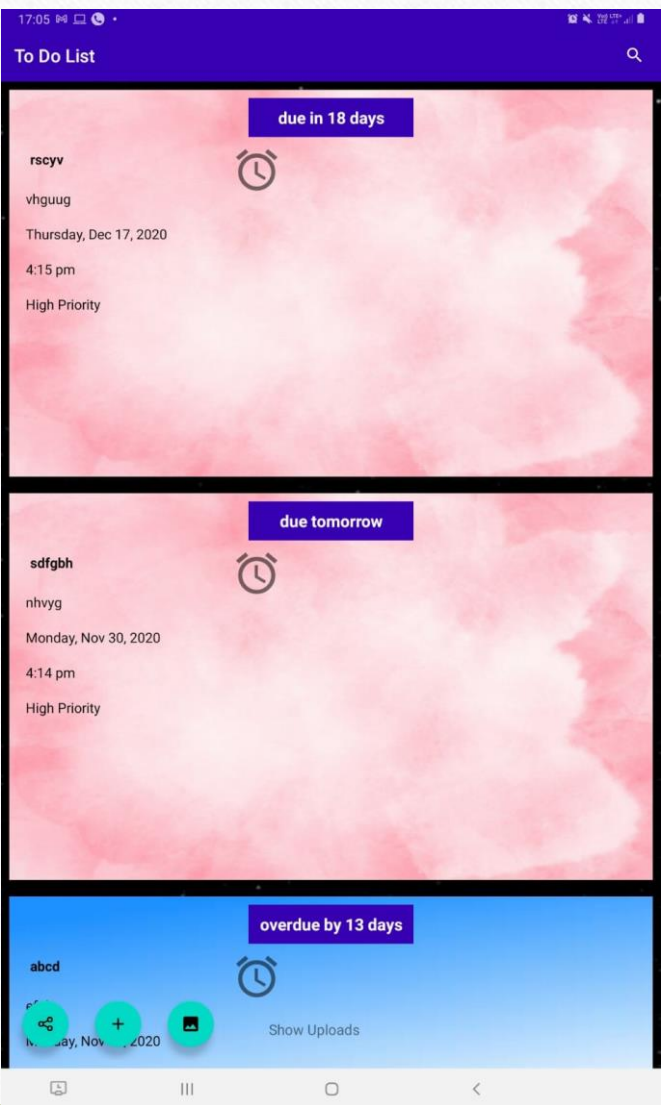

The screenshot shows a mobile application interface with a white background and a purple header bar at the top containing the text "Delete your task". Below the header, there are four input fields, each with a label on the left and a text entry on the right. The labels are "Task", "Description", "Date", and "time". The corresponding text entries are "asdghh", "cvbnjh", "Sunday, Nov 29, 2020", and "4:14 pm". Below these fields is a purple button with the text "Delete" in white. The entire form is enclosed in a thin black border. At the very top of the screen, there is a status bar with the time "16:15" and various icons. At the bottom, there is a navigation bar with standard Android icons.
